Mrs. Anita Ball

In recognition of her years of loving, dedicated service as a teacher at B. H. S., and because she has given so untiringly of her knowledge, her time, her talents, and her friendship to each of us, we, the Senior Class of 1965, gratefully dedicate the Fiesta Edition of the OLE BROOK to Mrs. Anita Ball, who will live in our hearts as a fine teacher and a wonderful friend.

What is a High School Fiesta

Buenos dias, senores, and senoritas! We invite you to share in our Fiesta of fun, spirit, knowledge, and friendship at B.H.S..

Recall with us the spine-tingling excitement of the '64 football season, the suspense of elections, the great fun of after-game dances, the highlights of Homecoming, National Honor Society inductions, the Senior Play, Awards Days, the Junior-Senior Banquet, the Student Council Prom, and finally, Graduation!

Here at our Fiesta one will find memories of '65 at B.H.S.--laughing and talking with friends at recess; of books, pencils, papers, and homework; spirited pep meetings; interesting assembly programs; cokes and snacks in the Activity Building; studying in the library; clubs and organizations; long lines and lab experiments; being a member of a class now gone, but not forgotten.

The memory of this hurried, unworried, happy year at B.H.S. is with us NOW and will stay with us FROM NOW ON!!

So, come along, tune your guitars, amigos, and follow us to the Fiesta we offer you in the OLE BROOK of 1965.

Student Council Sponsors Numerous

Sponsors Miss Mathison and Mrs. Catt discuss plans for Teacher Appreciation Week with Council President, Melinda Penn.

Composed of students from each homeroom, the Student Council represents B.H.S. in various fields. Under the leadership of President Melinda Penn and the guidance of sponsors, Miss Mathison and Mrs. Catt, the Council is very active. With the help of the student body, it sponsors Thanksgiving and Christmas projects for needy families. Stressing leadership and achievement, the council awards school emblems to our A+ students. This organization is host for many receptions after school functions. The Council provides phones for the use of faculty and students. Other activities are: Dress-up Day, Teacher Appreciation Week, Blue Horse Contest, Red and Blue Day, Twirp Week, Basketball Day, and dances after home football games and following the Junior-Senior Banquet.

Chosen to guide the B.H.S. student body for the 1964-1965 year were: Emily Kees, Vice-President; Suzanne Davis, Reporter; Melinda Penn, President; Martha Walker, Treasurer; Gail Smith, Secretary.

National Honor Society Recognizes Scholars

The National Honor Society creates enthusiasm for scholarship, stimulates the desire to render service, encourages the development of character in the students of Brookhaven High School, and promotes worthy leadership. The new sponsor, Mrs. Cannon, supervises the selection of new members. The requirements for membership are rigid--a solid B+ scholastic average and the personal approval of members of the faculty. The annual College Night is but one of the Society's worth-while projects.

All smiles from President, Allen Smith; Vice-President, Jane Ainsworth; Mrs. Cannon, Sponsor; Secretary, Gayle Smith; and Treasurer, Jim Ostenson.

Ole Brook Staff Publishes

To produce a yearbook that would appeal to everyone, an energetic group of seniors spent every spare minute in the composition of the 1965 Ole Brook. In the spring the editorial staff was elected from interested members of the up-coming Senior Class. The theme was selected, the book planned, and the staff chosen during the summer.

Our yearbook was made possible by seniors who spent long hours working at football games, soliciting donations from professional and business men, and selling Christmas cards.

After pictures were taken, layouts planned, captions typed, copy written, and everything double-checked, the 1965 Ole Brook was ready for publication. Although the work was hard, it has been a rewarding and enjoyable experience.

Through membership in both the Mississippi and National Scholastic Press Associations, the editors have incorporated fresh ideas and an entirely "new look" into this year's edition. The '65 Ole Brook was judged in competition with other yearbooks on a national basis.

The Latin Club is composed of those students who wish to gain a deeper appreciation of the ancient civilizations and also make Latin up to date and more interesting. Latin may be dead in some places, but this club, under the sponsorship of Mrs. Branch, keeps it alive through activities such as the annual slave auction. The club is affiliated with the Junior Classical League and sends representatives to the annual State Latin Meet.

The members of the Business Education Club study vocational opportunities in the field of business by hearing and meeting leaders and experts in the business world. Under the sponsorship of Miss Bessie Jenkins, they learn new methods and desirable traits for tomorrow's business leaders. This year the club is studying all the aspects of insurance. Informative speakers have helped members realize the importance of insurance in today's world.

'64 Panthers
Find Going Rough

The 1964 Panthers opened their season with a bang by playing some spectacular ball and winning their first three games. One game no one could ever forget was the thrilling triumph over Hattiesburg. But, injuries took their toll and the mighty Panters finished with four wins, four losses, and two ties. Despite this, the B.H.S. Panthers deserve high commendation for a season of outstanding football.

Showing In Big-8 Tournament

The 1964-'65 Panther Cagers displayed a marvelous amount of that typical BHS team spirit and sportsmanship in all games they played this season. The Panthers won the first game of the Big Eight Tournament, defeating Moss Point, but were beaten by a very narrow margin of 31-30 by McComb. In tournament action a second time, the cagers won over Franklin County in the preliminaries. Ole Brook was well represented by good basketball and outstanding team effort.

Mexican Trip

Starts Spring Fiesta

The BHS Spring Fiesta started with the Spanish trip to Mexico. "Pretty Phyllis and her Neurotic Ninos" spent five wonderful days in historic Mexico, mixing fun with a history lesson. The tired, but happy group returned home with many souvenirs and memories that will always bring to mind their 1965 Spanish trip. Thus the supplement begins; the BHS spring activities return to you through pictures.

the Class of 1965

Graduation Day

Ends Twelve Years' Work

Twelve years of hard work and study suddenly seem worth all the effort when a student walks across the stage and receives his high school diploma. That is what 150 students did May 28, 1965, after an impressive program had been presented by the 34 honor graduates and the class gift had been given to the school. Proudly holding their diplomas, the Class of 1965 climaxed the evening with the traditional "Farewell to Thee." The graduates were then honored at a reception with their parents and friends.

In Memoriam

"The happiest heart that ever
beat
Was in some quiet breast
That found the common day-
light sweet
And left to Heaven the rest."

In this world there are those precious people who build for themselves a special place in the hearts of many--whose unselfish giving of their lives, their time, and -- most important -- their love creates a treasured memory -- sweet and lasting. We, the Senior Class of 1966, dedicate this page in loving memory of such a person, Mrs. Frances B. Seavey.

MRS. FRANCES B. SEAVEY

The cast of the 1966 Senior Class Play dedicated the second performance of "Curtain Going Up" to Mrs. Frances Seavey, whose love for and interest in youth has endeared her to our hearts.

The beginning of an end.

Between the Past and the Future

Wayne Allred presents class gift to Mr. Roach.

Bill Furlow presents the class emblem to Mr. Lipsey as a symbol of his expert guidance to BHS through the years.

The Class of 1966 has now come to a temporary stop on its journey--one where we can find happiness only by walking our own paths. At this point we are able to look back and recall those smiles and tears that have led us to this milestone--graduation. At the same time we are looking to the future with anticipation and determination for the many challenges that lie ahead. For us Route 66 has been a wonderful road to travel, a road that we've ventured down together and, in a sense, one that will forever remind us of our trip, for we made is as a class--The Class of 1966!

. . . As Our Fiesta Comes To An End.

Dear Reader,

Our High School Fiesta has finally come to a close. We must now cast aside our sombreros and don the mortar board, for we are just beginning our Fiesta of the Future. The horizon that we face is not clear; there must always be clouds. Yet we need not shrink from the uncertain; we have many things in our favor. A faith in ourselves and in Him who will always guide us will give us the strength and determination that we need to face whatever may come.

All of us on the annual staff hope that this year has been one filled with fun and valuable experiences for each of you. We have tried our best to preserve memories of 1964-65 for you and we wish to thank each of you for the wonderful cooperation that made our efforts possible.

In closing, we of the editorial staff could not find any words more fitting to express our personal feelings than those of our own Alma Mater:

"True to thee I shall always be,
Alma Mater, Brookhaven High
School!
Proud am I, with my head held
high,
Alma Mater, that you are my
school...
So I know that where 'ere I go
from thy hallways .
I shall for always, ever loudly,
ever proudly, sing
The praises of Brookhaven High!

May God shower you with his richest blessings throughout all the coming years.

Most sincerely yours,

The Annual Staff

Dear Bernard
